ALTERNATIVE HAIR COLLECTION

Iconic ROCK

**IN THIS ISSUE OF AH MAN YOU
ARE INVITED TO SHARE IN THE
COLLABORATION OF MYTHICAL FORM
WITH CONTEMPORARY INTERACTION.**

The fusion of Iconic and Rock!

The Iconic Rock collection celebrates the concept of fashion fusion, the radical idea of breaking the mould of historical ideals and introducing them into contemporary form and concept.

Throughout history the ideal body silhouette has transformed. The Iconic Rock collection redefines beauty in the 21st century in silhouette and technique, using current ideas, inspiration and design which are pushed to the limit by our leading hair artists, whilst still referencing to the historical genre of iconic representation.
