ANTONIO IENGO

Hairstylist

Antonio Iengo - Curator of image: a teenager is immediately attracted by the fashion world and in particular by hairstyle. Begins at sixteen to run in the halls known in his neighborhood. Until it becomes a well-known person in the environment, the facility owned, refresher courses in Italy and abroad, the magazines have become then his reason for living. And 'his invention of the requested "CUT WITH BALLS". Artistic Director for Bio Organic.

News

Step by step made by fashion designer Antonio Iengo through a technique of cutting innovative, practical and fast. This technique can also be used for the realization of the color. A merger which leads to excellent results in both practical and advertising for innovation used.
