For Cinzia Luison, owner of the salon, the pursuit of beauty is first and foremost looking for a deep well-being, while respecting and protecting the environment. Following this principle carefully selects products based on natural elements, in line with Eastern philosophy Ayurvedic, based on respect for the environment and the search for balance mind and body. The exploitation of natural products and the preparation towards the research of innovative beauty reflect the philosophy based on the search for harmony between technology and welfare that drives the team, consisting of five valid elements, always attentive to welcome every customer with courtesy and professionalism and suggest personalized treatments for the well-being of skin and hair.

## Coiffure - Aesthetics

The beauty salon is refined design, designed to preserve efficiency and distinction. The exploitation of natural products and the choice of neutral colors, white and cream with detail of wooden furniture from pure and essential design, help to create a relaxing environment where each treatment trasform in a pleasant moment of self-care. Light wood floors, wooden furniture and leather seats from the steel structure are combined with neutral tones, selected according to the benefits of color therapy to create a relaxing atmosphere within the salon and cabin reserved for body treatments and stone -massage. The treatments are designed to meet the individual needs of each guest. After each treatment, we can suggest a program to continue the ritual Aveda experience in the comfort of your home.
